

Diablo Gymnastics School presents...

FLIP FLOP FOLLIES!

The **FLIP FLOP FOLLIES**, Diablo's super fun gymnastics extravaganza, is scheduled for Sunday, May 6th at Diablo Gymnastics. This year marks the 43rd anniversary of the first Follies performed in the summer of 1969. Children ages 3 and up* are invited to participate in group routines with costumes and music for their families and friends. We will also have special guest performers ensuring that this is an event our gymnasts will remember for decades! We hope the following information will help you decide if you can join us this May.

REHEARSALS. Performers will have mandatory rehearsals outside of their regular class time. Most numbers will require two 40-60 minute rehearsals prior to the performance date.

COSTUMES. Estimated costume cost per performer this year is \$56. Please attach your payment to the registration form below.

SHOWTIMES. Sunday, May 6th at 11am, 1pm and if demand calls for it, 3pm. Team members will perform in every show. Kindergym and Recreation students will perform in one show. Your child's show time will be posted on or before March 6th, 2012.

FORMER DIABLO GYMNAST? We asking parents who were Diablo gymnasts growing up to help with a special number this year... Please email jaime@diablogym.net for more info!
